

ECO-SERIES - CEILING MOUNT INSTALLATION INSTRUCTIONS

Installation Steps:

- Locate your desired mounting location
- Using the Included Assembled Base Stand as a template, mark the 4-hole locations
- **Mounting hardware is not included**
- Take the Main Housing Assembly with Antenna
- Bend the cable of the Antenna as you slide the Main Housing Assembly with Antenna into Included Assembled Base Stand
- Make sure the Main Housing Assembly with Antenna snaps into place into the Included Assembled Base Stand. You should hear a click
- Using 4 screws take the entire assembly and mount to the desired position. Using 4 fasteners is desired
- If it's easier for you to mount the Included Assembled Base Stand to ceiling prior to installing the Main Housing Assembly with Antenna you may do so
- **ATTENTION:** Always wear safety glasses and follow the proper safety practice when installing this antenna
